***DETAILED ACTION***

This communication is responsive to the information disclosure statement (IDS), filed on 10/19/2010.

***Information Disclosure Statement***

The references listed in the information disclosure statement (IDS), filed on 10/19/2010, has been received, acknowledge, considered and recorded. A copy of the signed or initialed IDS is hereby attached.

***Allowable Subject Matter***

1. Claims 1-17, 26-27 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Applicant's argument filed 07/26/2010 regarding claims 1-17, 26-27 have been considered and are persuasive. The prior art does not disclose "wherein the object is part of a document captured based on a capture rule that defines which objects are to be captured, wherein the capture rule is part of a default rule set for a capture system configured to monitor network traffic, and wherein a determination is made based on the capture rule to discard or to store the document, and wherein the capture rule identifies a first internet protocol (IP) address from which the document was sent and a second IP address associated with an intended destination of the document", as required by claim

Art Unit: 2163

1 and a similar to the limitations of claims 14 and 26-27. Thus, prior art of record (including the references cited in Information Disclosure Statement (IDS) filed 10/19/2010) neither renders obvious nor anticipates the combination of claimed elements in light of the specification. After a further search and a thorough examination of the present application and in light of the prior art made of record, independent claims 1, 14 and 26-27 are allowed. Dependent claims 2-13, 15-17, are allowed at least by virtue of their dependency from claims 1, 14 and 26-27.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
